Elala Brand

01

Freedom to Ride, Anywhere

Designed for cross-city, cross-border living and travel.

- Travel Friendly
- Pet-Friendly
- All-in-One Design
- Global Lifestyle

Why Choose ELALA

Bring Ride-On Mobility into Daily Life

Designed around real-life use after arrival, combining riding, storage and portability in one solution.

Ride with you during the journey, follow you when changing transport.

Image is for brand scenario illustration. Actual configuration may vary by model and version. Riding and carrying are subject to local regulations and carrier rules.

Everyday Riding with Real Support

Pro, Master and P28 are equipped with front and rear wheel suspension. Master also comes with a detachable seat, offering different riding options.

Your Belongings, Always in Place

Built-in storage space lets you ride and carry your essentials together. Choose the right suitcase size for daily items or travel luggage needs.

Flexible Travel for Changing Plans

Fold down the handle and continue your journey with other transport. The battery is removable for independent charging, giving you more options for carrying and recharging.

MEETCHINA365

Your B2B Partner for Trending Chinese Products

MEETCHINA365 connects global partners with high-quality innovative products from China. We help bring products like ELALA to more markets through wholesale, OEM/ODM and crowdfunding opportunities.

Elala Pro vs. Airwheel SE3S

Both are 20-inch class products, comparing storage and riding configurations

Specification	Elala Pro	Airwheel SE3S
Case Size	**20 inch**	20 inch
Rated Storage Capacity	**32L**	20L
Published Suspension Configuration	**Front & Rear Wheel Suspension**	TPU Tire Cushioning
Battery	**Removable, ⩽ 100Wh**	Removable，73.26Wh

Elala Pro: Front & rear wheel suspension and 32L storage space, supporting everyday riding needs.

Source: Elala brand materials (page 12) and battery specifications provided by the founder;
Airwheel SE3S official website (2026-10-13).
Capacities are the rated values from each brand and have not been tested under a unified standard.
Suspension configuration is based on publicly available information and does not represent performance testing under the same conditions.

Why Choose JINOVA × ELALA?

Everyday mobility, travel-ready storage, and a dedicated pet-travel option.

Comfortable Ride

Pro and P28 feature front and rear suspension. Master offers a removable cushioned seat and front-wheel suspension, based on the latest model specifications.

Ride + Carry + Store

Pack your daily essentials, fold the handle, and switch between riding and carrying. Removable batteries support separate charging.

PET MOBILE — Pet Travel

A ventilated pet cabin with air vents and a built-in fan adds a pet-focused travel option. Capacity: 32L per latest product master; confirm against older 40L artwork.

Chloe.Song@meetchina365.com | Thomas.Richardson@meetchina365.com

ELALA Pro vs. Airwheel SE3S

Published configuration comparison; not a controlled performance test.

Specification	ELALA Pro	Airwheel SE3S
Luggage class	**20-inch**	20-inch
Nominal storage	**32L**	20L
Cushioning	**Front + rear suspension**	TPU tire cushioning
Battery	**Removable, ≤100Wh**	Removable, 73.26Wh

Chloe.Song@meetchina365.com | Thomas.Richardson@meetchina365.com

Designed to Ride. Built to Travel.

Flexible mobility, convenient storage and battery options for daily use.

Removable Battery

96.2Wh battery on the four ELALA ride-on models; confirm model-specific charging and carrier rules.

Flexible Handling

Foldable handlebar, luggage compartments and hands-free secondary bag carrying.

Comfort by Model

Lite: front suspension; Pro: dual suspension; Master: front suspension; P28: dual suspension.

Chloe.Song@meetchina365.com | Thomas.Richardson@meetchina365.com

The Journey Continues After Arrival

Travel, campus life, destinations and pet-friendly outings.

City & Travel

Ride and carry essentials while exploring your destination.

Campus & Leisure

Practical short-distance mobility for permitted spaces.

People & Pets

PET MOBILE combines a dedicated pet cabin, airflow and convenient mobility.

Five Ways to Travel Further

Human ride-on range plus JINOVA × ELALA PET MOBILE.

Master	Pro	Lite	P28	PET MOBILE
40L	32L	40L	70L	32L
16 mph	11 mph	11 mph	13 mph	Pet cabin
$1,200	$1,100	$985*	$1,300	Price TBC

From Market Needs to Better Mobility

Manufacturing experience, product iteration and U.S. market development.

Market-Led Design

Travelers need mobility beyond the airport, with luggage storage and flexible riding.

Product Development

Continued refinement of frames, wheel assemblies, seats, compartments and pet ventilation.

B2B Partnership

MEETCHINA365 connects product opportunities with U.S. wholesale, distribution and OEM/ODM discussions.

See It. Try It. Understand It.

Real-world demonstrations make product benefits easier to evaluate.

Trade Shows

Hands-on demonstrations of ride-on functions, storage, removable battery and pet cabin design.

Channel Experience

Product education, showroom trials and partner-led customer introductions.

Customer Feedback

Use observed riding comfort, luggage use and pet comfort to inform future improvements.

Chloe.Song@meetchina365.com | Thomas.Richardson@meetchina365.com

Partner With MEETCHINA365

U.S.-based sourcing, wholesale and distribution opportunities for mobility and pet travel.

Wholesale & Distribution

Travel goods channels, specialty stores and regional distributors.

Product selection, training and U.S. market support.

Brand Collaboration

Co-branded mobility concepts and pet travel collections.

Customization and OEM/ODM subject to agreed scope.

Corporate & Institutional

Campus, hospitality, resort and event-use inquiries.

Volume purchasing and tailored project planning.

Chloe.Song@meetchina365.com | Thomas.Richardson@meetchina365.com

From Product Discovery to Long-Term Growth

A practical four-step approach for channel partners and business buyers.

01 Define Needs

Target market, customer use, channels and preferred product model.

02 Experience & Pilot

Product demonstration, fit assessment and initial market testing.

03 Confirm Delivery

Specifications, pricing, lead time, training, spare parts and support responsibilities.

04 Grow Together

Review sales feedback and gradually expand the partnership.
