MEETCHINA365™

FROM MARKETS METS TO **BETTER PET PRODUCTS**

U.S.-BASED GLOBAL B2B SOURCING PLATFORM

Your Trusted Partner in the Global Pet Industry

Connecting Innovation, Manufacturing and Global Markets

Product R&D | Innovative Design | Manufacturing Excellence | Mass Production | Global Distribution

- High-Quality & Innovative Pet Products
- Reliable Supply Chain & Stable Production
- U.S. Market Expertise & Global Distribution
- Supporting a Healthier & Happier Life for Pets

Real Impact in the U.S. Market

Through U.S. local operations and market insights, MEETCHINA365 brings high-quality pet products to pet owners and industry professionals.

- Better Pet Products
- Professional Pet Services
- Healthier & Happier Pets

01 Product R&D

Forward-looking design based on global market trends and real pet owner needs.

02 Innovative Design

User-friendly, safe and stylish designs for modern pets and pet families.

03 Manufacturing Excellence

High-standard production environment and strict quality control.

04 Mass Production

Stable capacity and scalable production to meet global demand.

05 Global Distribution

Efficient supply chain and U.S.-based distribution support for worldwide partners.

Three Core Pillars of Our Smart Production Line

A Powerful Engine for Precision Manufacturing

150 Advanced Injection Molding Machines

- Equipped with energy-saving servo systems across all models
- Covers the majority of pet product manufacturing needs
- Supports multi-material co-injection processes

An Industry-Leading Smart Manufacturing Artery

750m Fully Automated Assembly Line

- Robotic part-picking and sorting units
- Laser marking + automated packaging stations
- Centralized quality control system powered by big data

A Super Factory for Intelligent Manufacturing

60000m² Production Base

- High-grade dust-free injection molding workshops
- Full-process anti-static treatment
- Intelligent warehousing and palletizing system

An Extra-Long Smart Manufacturing Artery

Equipped with a 750-meter full-link production line, meeting the top industry length standard, enabling efficient continuous production and ensuring stable product output.

Intelligent Quality Inspection Hub

Equipped with advanced testing instruments, our system achieves a defective product interception rate of up to 99.5%, ensuring consistent product quality and minimizing defective items from entering the market.

Cleanliness Testing

High Temperature Testing

Humidity Testing

Tensile Strength Testing

Gravity (Load-Bearing) Testing

Impact (Collision) Testing

Innovation & R&D Capability

R&D Talent Matrix

20 person cross-disciplinary R&D team, including software/hardware development, mechanical design, AI algorithms, with over **8** years of average industry experience

Industry-Academia-Research Ecosystem

Joint labs with University of Shanghai for Science and Technology and Harbin Institute of Technology over 5 major R&D projects annually **50%** reduction in technology transfer cycle

Demand-Driven Innovation

In-depth cooperation with over **30** pet hospitals/stores

Thousands of data points collected monthly

Industry-leading product iteration speed

Space Capsule Smart Cat Litter Box

Name: Space Capsule Smart Cat Litter Box
Size: 500*500*600mm
Model: WiFi Version / Single Machine / Lite Version
Weight: 15kg
Color: White / Black / Pink / White
Material: ABS
Working Voltage: DC 12V
Input Voltage: AC100-240V 50HZ/60HZ

2nd Gen Space Capsule
Smart Cat Litter Box
Indicator Light Ring
Infrared Sensor
UV Ultraviolet Sterrification

Large Capacity
Sand Bin
Fully Automatic Scooping
Name: 2nd Gen Space Capsule
Smart Cat Litter Box
Size: 590*600*600mm
Weight: 15kg
Color: White
Internal Space of Litter Box: 75L
Litter Capacity: 6L
Waste Bin Capacity: 8L
Operating Voltage: DC 12V
Rated Power: 9.6W
Noise: <55dB@1m

Cyber Smart Cat Litter Box

Name: Cyber Smart Cat Litter Box
Size: 650*500*560mm
Model: WiFi Version / Frontend Version
Weight: 16.4kg
Color: Dark Gray
Internal Space of Litter Box: 85L
Litter Capacity: 13L
Waste Bin Capacity: 10L
Operating Voltage: DC 12V
Rated Power: 9.6W
Noise: <55dB@1m

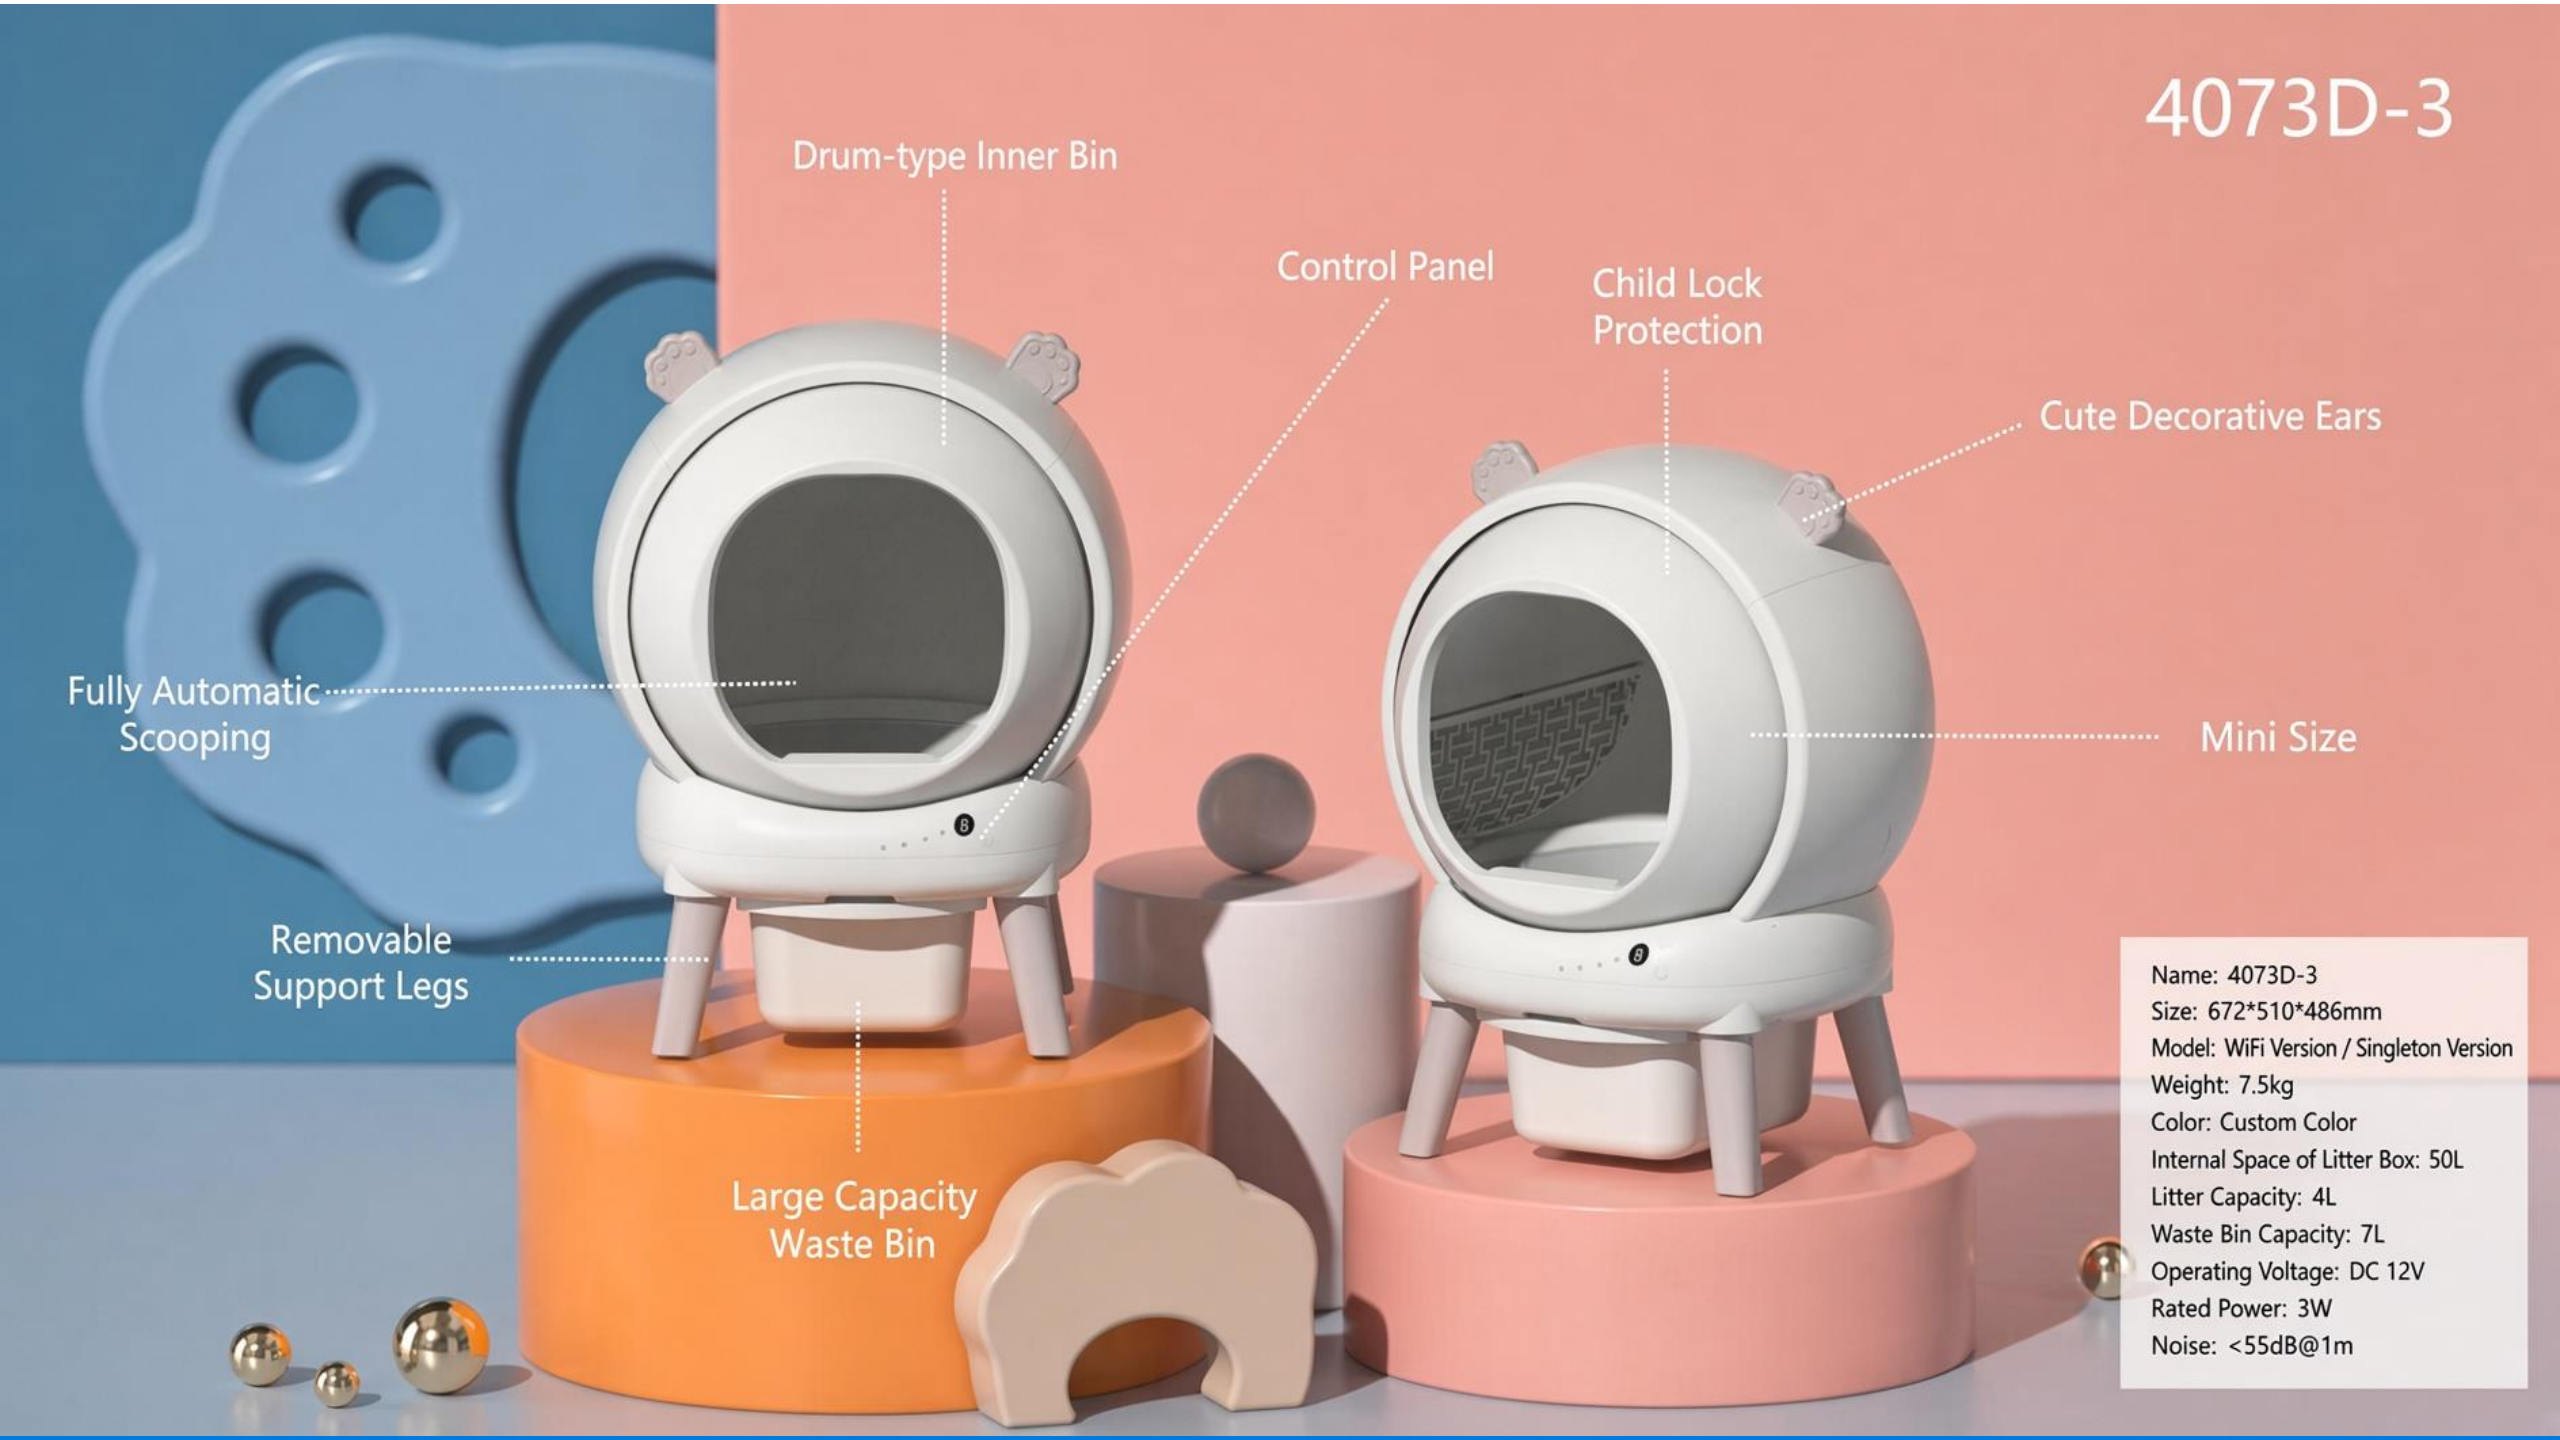

4073D-1

Name: 4073D-1
Size: 672*510*486mm
Model: WiFi Version / Singleton Version
Weight: 7.5kg
Color: Custom Color
Internal Space of Litter Box: 50L
Litter Capacity: 4L
Waste Bin Capacity: 7L
Operating Voltage: DC 12V
Rated Power: 3W
Noise: <55dB@1m

4073D-4
Fully Automatic Scooping
Drum-type Inner Bin
Child Lock Protection
Cute Decorative Ears
Mini Size
Control Panel
Removable Support Legs
Large Capacity Waste Bin
Name: 4073D-4
Size: 672*510*486mm
Model: WiFi Version / Frontend Version
Weight: 7.5kg
Color: Custom Color
Internal Space of Litter Box: 50L
Litter Capacity: 4L
Waste Bin Capacity: 7L
Operating Voltage: DC 12V
Rated Power: 3W
Noise: <55dB@1m

4073D-3

Name: 4073D-3
Size: 672*510*486mm
Model: WiFi Version / Singleton Version
Weight: 7.5kg
Color: Custom Color
Internal Space of Litter Box: 50L
Litter Capacity: 4L
Waste Bin Capacity: 7L
Operating Voltage: DC 12V
Rated Power: 3W
Noise: <55dB@1m

4073D-2

Name: 4073D-2
Size: 672*510*486mm
Model: WiFi Version / Singleton Version
Weight: 7.5kg
Color: Custom Color
Internal Space of Litter Box: 50L
Litter Capacity: 4L
Waste Bin Capacity: 7L
Operating Voltage: DC 12V
Rated Power: 3W
Noise: <55dB@1m

Smart Care, Cleaning & Feeding Series

Smart Grooming Device

3-in-1 Professional Grooming System
✓ Turbo Dryer (3 adjustable wind speeds)
✓ Vacuum-Level Suction (10,000Pa power)
✓ Integrated Storage Cabin (saves 70% space)

Smart Feeder

1080P HD camera + two-way audio
✓ 5L moisture-resistant container (<30%RH)
✓ Military-grade sealed design (IPX4 waterproof)
✓ APP-enabled portion control (±2g accuracy)

Smart Water Dispenser

Bionic circulation water system
✓ IR-sensor water flow
✓ Large-capacity storage (ideal for travel)
✓ Triple protection (anti-dry burn / anti-leak / anti-tip)

Daily Use Tableware Series

Folding Pet Table

Michelin-level dining experience

✓ Foldable design with 3 height levels

✓ 304 stainless steel bowl (SGS certified)

✓ Slow-eating maze texture (reduces eating speed by 40%)

Floating Pet Bowl

Aerospace-grade feeding solution

✓ Suspended design (keeps whiskers dry)

✓ Anti-splash car-mount design (shockproof)

✓ Removable parts (easy to clean)

Portable Pet Bottle

Mobile hydration station

✓ Portable for outdoor use (instant access)

✓ 750ml golden capacity (full-day use)

✓ Food-grade material (FDA certified)

Cooperation Process

01

Product Development & Innovation Design

Core technology research and functional development

User experience optimization and prototype testing

Continuous iteration and upgrading

02

Smart Manufacturing & Mass Production

Modern production lines

Standard operating procedures (SOP)

Strict raw material selection

03

Global Sales & Customer Service

Multi-channel sales network

Brand promotion and market education

Customer support and after-sales service

04

Market Positioning & Demand Analysis

In-depth market and user demand research

Competitor analysis and product differentiation

Strategic planning

05

Packaging Material Design & Customization

Packaging structure and visual design

Eco-material application and process selection

06

Rigorous Quality Control & Performance Testing

Reliability testing and safety certification

100% quality inspection before delivery

Custom Product Sampling

Standard Products

Samples ready in 3 days with a minimum order quantity of 1,000 units.
Fast response to meet customer needs and support small-batch production.

Smart Products

Samples ready in 7 days with a minimum order quantity of 2,000 units.
Ensures product quality and functionality while offering flexible MOQs for smart product customization.

B Feeding Bowl Series

C Cleaning Series
For a Cleaner and Healthier Pet Life

Small Pet Grooming Water Sprayer

Name:	Small Pet Grooming Water Sprayer
Size:	380 × 240 × 180 mm
Weight:	5 kg
Color:	White
Material:	ABS
Working Voltage:	DC 3.7 V
Rated Power:	50 ~ 60 Hz
Power:	1800 W
Pressure:	107 pcs/cm³
Suitable Pets:	Cats, Dogs

Pet Electric Nail Grinder

Name:	Pet Electric Nail Grinder
Size:	145×40×30 (mm)
Weight:	130g
Color:	Black / White
Material:	ABS
Charging Port:	Min-usb
Charging Voltage:	5V / 1A
Battery:	2 × AA batteries

Global Market Coverage

We continue to strengthen our strategic partnerships with Fortune Global 500 companies and actively expand our international presence.
Our products are now exported to over 20 developed and emerging markets across five continents, including:

North America: United States, Canada

Europe: United Kingdom, Germany, France, Italy, Spain, Russia

Asia-Pacific: Japan, South Korea, Singapore, India, Thailand

Oceania: Australia

(and more...)

We are committed to building a globally connected smart pet ecosystem.

Future Strategic Vision

Construction of Overseas Smart Factory Bases – Covering 30 European Countries

the Company officially launched the construction of the Erlangshen production base in Cambodia to further deepen its international development layout. Leveraging this new overseas production hub, the Company will simultaneously accelerate the expansion of its global sales channels. It plans to make its products available in more than 30 European countries within the year, continuously expand its global market reach, and steadily advance the upgrading of its globalization strategy.

MEETCHINA365™

FROM MARKETS METS TO BETTER PET PRODUCTS

Your Reliable Partner for Smart Pet Living

- Innovative Products
- Reliable Quality
- Competitive Prices
- Long-term Partnership

Our Business Model

From China to the World — One-Stop Pet Product Supply

Sourcing & Manufacturing
High-quality pet products from trusted factories

Quality Control
Strict QC to ensure safety and durability

Branding & OEM/ODM
Customized design, packaging and logo service

Global Distribution
Flexible supply for global retailers and brands

Competitive Price Advantage

Factory Direct Supply · Better Quality · Better Prices

Factory Direct Price
Lower cost, higher margins for your business

OEM / ODM Support
Customized solutions with competitive pricing

Flexible MOQ
Support sample orders and bulk orders
