5 reasons why people love Infinity

Dual Control Innovation

Independent controls for tint and audio give you complete command over your visual and audio experience.

Wide Tint Range

HVL™ lenses with 48%-8% VLT range provide perfect vision from dawn to dusk—and everywhere in between.

Premium Audio Quality

Crystal-clear speakers and dual microphones deliver immersive sound for music and calls while keeping you aware.

Bold Street Style

Rectangle frames with glossy black finish make a statement that's impossible to ignore.

All-Day Performance

11 hours of tint control or 5+ hours of audio means your glasses keep up with your lifestyle.

Infinity

$299

Bold rectangular frames with tint control and premium Bluetooth audio.
